ENVIGO RMS, LLC
1401 SOUTH STOUGHTON ROAD
Madison, Wisconsin, 53716

The facility was found in compliance for the following products as listed under guidelines posted on the IREGs:

Pet Food

Pet food for export to Israel contains the following species: fish, bovine dairy, and porcine fat.

The facility has been granted APHIS Local Reference Number: WI-0021.

This exact number should be included on future correspondence with this office regarding this listing. This number may not be utilized to indicate that APHIS has listed the facility or products for other purposes.

Please note that the listing is in effect for one year following the last validated inspection and must be renewed annually. In order to retain this listing, the facility must continue to operate under the information provided during the listing process. The facility is subject to unannounced compliance inspections throughout the year to verify this continued compliance.

If you wish to add other sources or materials to the materials considered eligible, the materials and suppliers must be approved beforehand.

Lot specific results for *Salmonella* and *Enterobacteriaceae* must be submitted with health certificate requests and meet the required testing parameters.

Lastly, I would like to remind you that the facility must complete the renewal process no later than July 17, 2025. Please contact this office no later than three months prior to this date to initiate the renewal process.

Please let me know if you have any questions or concerns.

Sincerely,

L.L. Harms, DVM
Veterinary Medical Officer
